

Family Service Thames Valley is inviting Submissions of Art for

***Dreaming on the Artful Side of the Brain***

a collaborative exhibit of works by people who have  
Autism, Asperger's, PDD, or other neurological challenges

To be held at *The Arts Project*, 203 Dundas St., London, ON, April 21-April 25, 2009

*This show is being held in conjunction with a One Day Workshop with Martha Leary*

*Creative Strategies & Accommodations to Help People with Autism & Other Neurological  
Challenges to Grow in Learning, Communicating, Participating & Relationships*

*April 22<sup>nd</sup>, Best Western Stoneridge, London, ON*

**Criteria for Submission of Art:** (Information below must be submitted by April 3, 2009)

- All art must be created by people who have a neurological disability as listed above
- Works are not juried but will be selected based on a balance of media and age groups
- Works other than canvases must be framed and all works must be wired
- Artists may choose whether or not to put their work up for sale. Sales made by credit or debit card will incur a 2.5% service charge
- No more than one piece per artist will be exhibited due to limited space
- Delivery of accepted work for hanging: April 21, 9 am-12 noon at The Arts Project
