“Passport to Community Participation”

Conference Registration Form

November 7 - 9, 2006

The Ontario government created the Passport initiative to provide opportunities for individuals who have an intellectual disability and who have left school to find more ways to participate in their communities. This third annual provincial conference will focus on this new initiative and will pull together what will be a dynamic and insightful collage of speakers which will address many important streams of information for you. Join us as we build networks and friendships together!
